Addendum to Financial Agreement:

Dear Parents,

In order to maintain a balanced budget (parish/school), we respectfully ask that you keep current with your tuition/parish stewardship commitment. Your gifts of time and talent are also encouraged as you journey with your son/daughter in faith commitment. We ask that you afford your children the opportunity to attend Mass regularly and engage in the many activities available to our youth (i.e. acolyte, lector, youth group member, RCIA facilitator).

In the 2012-13 school year, we will continue to monitor family financial obligations with respect to tuition, before/after-care payments, lunch (if applicable), fees, and parish stewardship which encompass the yearly commitment. We appreciate your timeliness with these fees. Delinquencies will be handled in the school/parish finance office as they arise. Alternate plans of action will be made pertaining to severely delinquent accounts in the 2012-13 school year. In extreme cases, the "parishioner" rate of tuition will be changed to "non-parishioner" rates after consultation and conference.

Please sign below which will indicate your awareness of this policy:

I/we understand that as a parishioner(s) of St. John/Holy Angels Parish that the annual stewardship fee of \$780- (\$15.00 per week) is required in order to maintain the "parishioner rate" of tuition.
