

**Holy Angels School**  
**Directory**  
**2012-2013 School Year**

Each year a school directory is published and made available for each family. Information includes student's name, parent/guardian names, address, phone number, and for the 2012-2013 school year, and e-mail address. This is a valuable tool for parents throughout the year since all students' names are listed alphabetically and by class. To ensure accuracy, please print neatly.

**The names and addresses that appear in the directory are for school and church use only. They may not be used or distributed for business purposes.**

Please list only those children attending Holy Angels School during the 2012-2013 school year.
