

## Holy Angels School Volunteer Form 2012-2013 School Year

The success of Holy Angels School is due to the dedication of the faculty, staff, students and families who continually support all of our needs. As you know, volunteers play an important role in our daily activities and it is only with your help we are able to accomplish so much. While volunteering is not mandatory at Holy Angels, we know you will find it fun and rewarding and your children will benefit from your participation. We thank you in advance for your continued participation.
