Dear Parents,

There is a service opportunity to bridge our youth in service outreach on Saturday, Jan. 28th from 9:00 to 11:00 here in Fremont Hall. We will join with students from the Jefferson Award team from Salesianum, our parish youth group, and Holy Angels middle school volunteers. The students will be making peanut butter and jelly sandwiches along with snacks.

We invite your child to participate in this event which will serve the needs of the Newark Empowerment Center. Please indicate below if your child can attend.

Thank-you for supporting the mission of the school as we encourage our youth to go forth in service. Please know that other opportunities will be given for this endeavor in the future.

Blessings,

**Mrs. Barbara Snively
Principal**
